Per Gary Moore, LDEQ has 2-3 site they may want us to look at for assessment and potential response. Gary will keep us informed. May need additional OSCs to assist.

Subject: Flood Response

Carl,

FEMA is probably going to ask us to demob this week. Gary Moore is just data mining LDEQ activities. We need to think about bringing him home as well. The Lard Oil response will dictate when our oversight is no longer needed.

Ronnie
